

Sport Court®

OUTDOOR PERFORMANCE FLOORING

Sport Court® products are designed and manufactured with the highest standards of quality, safety, and performance in mind. We employ rigorous internal and third-party testing to make sure our game court products meet our tough specifications.

Whether you choose **PowerGame™** [the premier modular sports surface available today], **SportGame™** [our advanced multi-sport surface], or **SportDeck™** [our specially designed surface that's proven to be outstanding for tennis], you will soon be enjoying products that set the industry standard. The graphs on the following page will help you make the right choice for your court, based on performance analysis conducted by an independent third-party lab in accordance with American Society for Testing and Materials [ASTM] standards.

These organizations have approved and use Sport Court® flooring
